Consortium Membership Agreement

PURPOSE
This Consortium Membership Agreement (“CMA”) originally entered into, as of June 11, 2018 (and as modified by Amendment 3, effective July 1, 2022), is to establish membership in the Undersea Technology Innovation Consortium (UTIC).

WHEREAS, the Government has expressed an interest in collaborating, with a focus on nontraditional defense contractors, small businesses, academic institutions, and nonprofits, in research and development leading to development and maturation of prototype projects in the following technology areas that include but are not limited to: Sensors and Sonar, Platform and Payload Integration, Undersea Warfare (USW) Combat Systems, Communications, USW Imaging, Undersea Distributed Networked Systems, Electronics/Optics/Materials, Passive Sensing, Undersea Satellites, Energy Storage and Release, Virtualization, Machine Learning, Threat Monitoring and Prediction, Cooperative Force Torpedo Defense, Undersea Warfare Analysis, Multi-Domain Fusion, Electronic Warfare, Distributed and Autonomous Sensors, USW Weapons and Autonomous Vehicles, Autonomy, Quantum Computing, Bio-Inspired Sensors, Environmental Sensing, Monitoring, and Prediction, In-Situ Energy Sources, and Multi-Dimensional Display;

WHEREAS, the UTIC Members are entering into the CMA in order to provide for (i) a consortium to conduct research, development, and prototyping of projects and programs through an Other Transaction Agreement or other agreements, (ii) their respective rights and obligations as a Member of the consortium, and (iii) administrative matters pertaining to the conduct of activities as Members of this consortium;

NOW, THEREFORE, in consideration of the foregoing and the mutual covenants and promises contained in the CMA, the UTIC Members agree as follows:

DEFINITIONS
HEREINAFTER the following definitions apply:

Affiliate means, with respect to a specified Member that is a signatory to the CMA, any corporation, company, partnership, joint venture and/or firm which now or hereafter controls, is controlled by or is under common control of such specified Member or shares a parent. For purposes of this definition, "control" shall mean (i) in the case of corporate entities, direct or indirect ownership of at least 50% of the stock or shares entitled to vote for the election of directors; and (ii) in the case of non-corporate entities, direct or indirect ownership of at least 50% of the equity interest with the power to direct the management and policies of such non-corporate entities.

Consortium Manager refers to the organization representing UTIC (not as an agent of any individual Member) to negotiate, execute and administer UTIC’s efforts under an Other Transaction Agreement (OTA). The Consortium Manager’s purpose is to perform the specific Consortium Management duties as specified in the OTA between the Government and UTIC, as well as provide support to the operations of UTIC as determined by the UTIC Board of Directors. The Consortium Manager will be prohibited from performing prototype research under the OTA.

Member or Members means respectively an individual UTIC Member organization or the UTIC Member organizations collectively that are signatories to the UTIC Consortium Membership Agreement.
**Other Transaction Agreement or OTA** means the agreement which is entered into by the Government and the CM on behalf of UTIC.

**Base Agreement** means the agreement between the UTIC Consortium Manager and the UTIC Member organization, which serves as the baseline agreement for all future Project Agreements. The Base Agreement flows down applicable terms and conditions from the OTA between the Government and the UTIC.

**Project Agreements** refer to agreements issued by the Consortium Manager, under the terms of the Base Agreement, for a specific project.

**ARTICLE 1: CONSORTIUM MEMBERSHIP**

**Membership.** UTIC will be open to and include Members from industry, academic research institutions, and non-profit organizations. The Members adopt a non-exclusive, open membership policy. UTIC Membership will include additional Members in accordance with the provisions contained in the UTIC Consortium Membership Agreement. Any Members, regardless of when they join UTIC, shall enjoy the same rights and incur the same obligations as any other Member hereunder. Membership in UTIC will become effective upon approval of the membership application.

**Affiliate Membership.** Regardless of the number of Affiliates, a Member with one or more Affiliates participating in UTIC is considered to be one (1) Member and will have one (1) vote and the potential of one (1) seat on the UTIC Board.

**Membership Dues.** UTIC Members will pay dues every January 1st in the amounts listed as follows: $1,500 for large businesses and $500 for all others (small businesses, academic institutions, nonprofit organization, and Affiliate Members). New Members will pay pro-rated dues payable upon initial acceptance of membership and then annual dues thereafter. The pro-rated dues structure, based upon the date of initial application acceptance, is as follows:

<table>
<thead>
<tr>
<th>Large Business:</th>
<th>All others:</th>
</tr>
</thead>
<tbody>
<tr>
<td>a) January through December - $1,500</td>
<td>a) January through December - $500</td>
</tr>
<tr>
<td>b) July through December - $750</td>
<td>b) July through December - $250</td>
</tr>
</tbody>
</table>

Small Business Administration (SBA) size standards will be used to determine business size. Small business size standards define the largest that a business concern, including all of its affiliates, may be and yet qualify as a small business concern for SBA and most other federal programs.

**Project Award Assessment.** In addition to any initial and annual dues that all Members of UTIC are required to pay, all recipients of Project Agreement funding shall pay the sum of .5% of all Government funds awarded under such Project Agreement to UTIC via the Consortium. The Board of Directors will evaluate this assessment percentage on a periodic basis and may adjust it upward or downward by the Board of Directors.

**Obligations to be a Member in Good Standing.**

a) Current (no greater than 60 days past due) on membership dues; and

b) Current (no greater than 60 days past due) on any project award assessment.

Only members in good standing will be permitted to respond to solicitations for project awards under the OTA. Also, only Members in good standing shall be entitled to vote, hold office, and represent UTIC.

**Membership Obligations.** The Parties agree that membership has the following obligations:

a) Be a U.S. firm or institution organized or existing under the laws of the United States, its territories, or possessions. For the purposes of this CMA, any agency or instrumentality of a foreign government shall not be granted membership (A U.S. company under Foreign Ownership Control or Influence (FOCI) will be handled in the application process);
b) Not be barred from contracting with or receiving funds from the United States Government;
d) Contribute their respective talents and resources to UTIC for activities such as periodic meeting attendance, committee and subcommittee participation, and other activities as may be appropriate;
e) Maintain an active Military Critical Technical Data Agreement (Form DD 2345) with the U.S./Canada Joint Certification Office, Defense Logistics Information Service, Federal Center, 74 Washington Ave., North Battle Creek, MI USA 49037-3084;
f) Not transfer membership to any business entity;
g) Provide all cost and technical data as required in any UTIC solicitation to which it responds; and
h) Meet all requirements and abide by the terms of the Base Agreement.

Article 2: Consortium Governance

Board of Directors. The affairs of UTIC shall be governed by a Board of Directors, as stated in UTIC By-Laws. UTIC Board of Directors members who are not employed by the CM do not have access to member’s proprietary data, are not provided advance insight of potential government solicitations, and do not have advanced insight of source selection decisions made by the government.

Executive Director. The Executive Director is subject to the supervision and control of, and reporting to, the Board Chair acting with the advice and consent of the Board of Directors. The Executive Director shall have general supervision, direction and control of the business and affairs of UTIC.

Article 3: Consortium Finances

Management of Consortium Funds. The Consortium shall operate on the funds collected through membership dues and project award assessments. Such funds will be collected by the CM for use in accordance with UTIC By-Laws.

Article 4: Term

Term. Membership is renewed annually upon payment of non-refundable dues. Members may terminate membership at any time by written notice to UTIC; and in its sole discretion, UTIC may terminate a member’s participation in the Consortium by written notice to a member should such member fail to comply with the Member Obligations set out in this CMA. In the event of the termination, Member’s rights and obligations pursuant to any Project Agreements, including but not limited to, continued funding and technology contribution commitments shall continue in accordance with the specific terms of the Project Agreements. Further, financial obligations to the consortium, to include project assessments, shall remain in full force and effect until all remaining obligations to the consortium are satisfied according to the CMA.

Article 5: Independent Contractor Status

The relationship of the Members established by the CMA is that of independent contractors. Nothing contained in the CMA shall be construed to (i) give any of the Members hereto the power to direct or control the day-to-day activities of another Member hereto; (ii) constitute the Members as partners, joint ventures,
co-owners or otherwise as participants in a joint or common undertaking; or (iii) allow any of the Members here-to create, discharge or assume any obligation on behalf of another Member here-to for any purpose whatsoever. Each Member retains the right to engage independent research and activities that may compete with, or be contrary to, the goals of UTIC.

**ARTICLE 6: INTELLECTUAL PROPERTY/ PROPRIETARY DATA**

Intellectual Property Rights between Members and the Government will be governed by the terms and conditions of Base Agreement and individual Project Agreements. The Consortium, its Members, and the CM will not receive any rights to Member’s Intellectual Property under this CMA.

Member organizations may be required to provide proprietary data to the CM in order for the CM to successfully satisfy its obligations under this agreement and the OTA. Accordingly, a Proprietary Information Exchange/Nondisclosure Agreement is incorporated herein as Exhibit A. This agreement will govern the exchange and use of proprietary data between Members and the CM. This Exhibit is not applicable to individual Consortium Members who decide to share proprietary information with each other unless they expressly agree to use these terms for that purpose.

**ARTICLE 7: GENERAL PROVISIONS**

**Amendments.** No amendment or modification of the CMA shall be valid unless agreed to in writing by two-thirds (2/3) vote of UTIC Board of Directors. The Board of Directors may, at its discretion, refer certain proposed amendments to the full UTIC membership for validation by a majority vote of the membership.

**Compliance with U. S. Export Laws.** The Members shall comply with all applicable export control laws and regulations of the United States, including the Arms Export Control Act (“AECA”), the International Traffic in Arms Regulations (“ITAR”), the Export Administration Regulations (“EAR”), and other U.S. government directives related to export control.

**Governing Law.** This Agreement shall be governed by the laws of the State of Rhode Island, to the extent it does not conflict with the public academic research institution’s state law, without giving effect to its choice of law principles. In order to bring forth a dispute under this Agreement, the Party must first provide formal notification to the Board of Directors of the cause for the dispute. At which time, the Board of Directors and the Party will have 30 days to resolve the dispute until any further action is taken by either party.
EXHIBIT A: PROPRIETARY INFORMATION EXCHANGE AND NONDISCLOSURE AGREEMENT

This Exhibit A is an agreement between the Consortium Manager (CM), and individual Consortium members for the exchange of proprietary information in order to carry out the duties and obligations contemplated under this CMA and the OTA. Membership in UTIC constitutes agreement to be bound by the terms and conditions contained in this Exhibit. This agreement, unless superseded by a separately executed nondisclosure agreement between the parties, is applicable to the CM and individual Consortium Members in order for the CM to satisfy its obligations under the CMA and the OTA. This Exhibit is not applicable to individual Consortium Members who decide to share proprietary information with each other unless they expressly agree to use these terms for that purpose.

   with the government's audit provisions contained in the UTIC Other Transaction Agreement.

8. This Agreement shall expire ten (10) years from the last date of execution, unless extended by written
   agreement of the Parties. All such Proprietary Information disclosed to the Recipient or any of its

   period of three (3) years from date of conveyance to Recipient.

9. Neither the execution and delivery of this agreement nor the delivery of any Proprietary Data hereunder

    Recipient shall be determined exclusively by the terms and conditions herein.
